

Avisaro AG - LIST OF PRODUCTS AND PRICES 2020

Valid from end of January 2020 until revoked.

All prices do not include VAT and do not include shipping.

Order no	Pricture	Article / interface	Details / Included accessories	Price (€)
		RS232 Interface	If not otherwise stated, memory Sticks, power supply, cable or adaptor are not included. (See our accessories.)	
M41014		Data Logger 4.0 Azure, Interface 1x RS232, (SubD-9 Pin)	for up to 1 Mbit/s, 7/8 bits und typical parity and stop bits,	299,00
M41124		Data Logger 4.0 Azure, Interface 2x RS232	for up to 1 Mbit/s, 7/8 bits und typical parity and stop bits, with 2 Wago cage clamps	299,00
M41434		Data Logger 4.0 Azure, Interface 1x RS232 and Ethernet	for up to 1 Mbit/s, 7/8 bits und typical parity and stop bits, with 1 Wago cage clamps	299,00
M41076		Data Logger 4.0 "Silver", 1x RS232	RS232: up to 1 Mbit/s, 7/8 bits, parity und stop Bits, Screwed cable gland, Protection rating IP66	299,00
C41014		WLAN Logger Box 4.0 Azure, Interface 1x RS232, SubD	for up to 1 Mbit/s, 7/8 bits and typical parity and stop bits, wireless FTP file up-/download, live data stream, without accessories	399,00
C41124		WLAN Logger 4.0 Azure, Interface 2x RS232	for up to 1 Mbit/s, 7/8 bits and typical parity and stop bits, wireless FTP file up-/download, live data stream, with 2 Wago cage clamps	399,00
C41077		WLAN Logger "Shell" 4.0, 1x RS232 Interface, PG12	for USB Stick.	499,00
C41076		WLAN Logger 4.0 Silver, RS232 Interface, IP66,	internal connector for USB memory stick and internal WiFi antenna. Internal screwed cable gland for power and data.	399,00
G41377		WLAN Logger 4.0 Shell, 1x CAN Interface, UMTS Modem, WiFi, IP66,	Internal screwed cable gland for power and data. (without USB-Stick or SIM-Card)	748,00
M21133		Data Logger Box 2.0 (SD) with RS232 Interface, (SubD-male),	incl. power supply and cable.	299,00

Avisaro AG - LIST OF PRODUCTS AND PRICES 2020

Valid from end of January 2020 until revoked.

All prices do not include VAT and do not include shipping.

Order no	Picture	Article / interface	Details / Included accessories	Price (€)
M25833		Data Logger Box 2.0 (SD) with 2x RS232 Interface, (WAGO),	incl. 2 WAGO cage clamps.	299,00
M2R933		Data Logger Box 2.0 (SD) with Ethernet/ TCP and RS232 Interface, (RJ45 and WAGO),	incl. WAGO cage clamp.	299,00
M31133		Data Logger Box 2.0. with RS232 Interface, for USB-Stick, (SubD)	incl. power supply and cable.	299,00
M21766		Logger Cube (2.0) with RS232 Interface, Screwed cable gland, Case Protection IP66.		299,00
G21766		GPRS Cube (2.0), GPRS Modem, 1x RS232 Interface	incl. SD Slot, without SIM card, protection rating IP66, screwed cable gland	499,00
		RS485 Interface	If not otherwise stated, memory cards, power supply, cable or adaptor are not included. (See our accessories.)	
M42224		Data Logger 4.0 Azure, Interface 2x RS485	for up to 1 Mbit/s. Support for raw data and Modbus protocol, with 2 Wago cage clamps	299,00
M42076		Data Logger 4.0 Silver, RS485 Interface, IP66,	internal connector for USB memory stick and Internal screwed cable gland for power and data.	299,00
C42224		WLAN Logger 4.0 "Sky" Interface 2x RS485	for up to 1 Mbit/s. Support for raw data and Modbus protocol, wireless FTP file up-/download, live data stream, with 2 Wago cage clamps	399,00
C42076		WLAN Logger 4.0 Silver, RS485 Interface, IP66,	internal connector for USB memory stick and internal WiFi antenna. Internal screwed cable gland for power and data.	399,00
M22833		Data Logger Box 2.0 (SD) with 2x RS485/ 1x RS422 Interface, (WAGO),	incl. 2 WAGO cage clamp.	299,00

All prices do not include VAT and do not include shipping.

Order no	Picture	Article / interface	Details / Included accessories	Price (€)
C47076		WLAN Logger Cube 4.0, 2x 4..20 mA current loop analog channels	up to 100 Hz sampling rate, 16 bit resolution, wireless FTP file up-/download, live data stream, IP66 enclosure, cable gland	399,00
M27766		Logger Cube (2.0) with 2x 4..20mA interface, Screwed cable gland, Protection Rating IP66.		299,00
G27766		Logger Cube (2.0), GPRS Modem, with 2x 4..20mA interface, Screwed cable gland, Protection Rating IP66.	incl. SD Slot, without SIM card, protection rating IP66, screwed cable gland	499,00
		0-10V analog interface	If not otherwise stated, memory sticks, power supply, cable or adaptor are not included. (See our accessories.)	
M49924		Data Logger 4.0 Azure, four 0..10V analog voltage inputs	up to 100 Hz sampling rate, 16 bit resolution, with 2 Wago cage clamps	299,00
M49076		Data Logger 4.0 "Silver", 4..20 mA current loop analog channels	up to 1k Hz sampling rate, 24 bit resolution, for USB memory sticks, Screwed cable gland, Protection Rating IP66	299,00
C49924		WLAN Logger Box 4.0, four 0..10V analog voltage inputs	up to 1k Hz sampling rate, 24 bit resolution, wireless FTP file up-/download, live data stream, with 2 Wago cage clamps	399,00
C49076		WLAN Logger Cube 4.0, 2x 4..20 mA current loop analog channels	up to 100 Hz sampling rate, 16 bit resolution, wireless FTP file up-/download, live data stream, IP66 enclosure, cable gland	399,00
		Accessories		
Z5112		Power Supply (9V)	Wall Plug Powersupply (Switching Power Supply), 9V, 0,6A, Input 100-240V	19,00
Z4911		DIN Rail Fitting	Fitting to mount WLAN Box or Data Logger to a DIN Rail. Fitting is screwed on the back side of the housing	5,00

Avisaro AG - LIST OF PRODUCTS AND PRICES 2020

Valid from end of January 2020 until revoked.

All prices do not include VAT and do not include shipping.

Order no	Picture	Article / interface	Details / Included accessories	Price (€)
Z4912		DIN Rail Fitting (4.0)	Fitting to moun 4.0t WLAN Box or Data Logger to a DIN Rail.	5,00
Z23011		Option: GPS Satellite Receiver for 'Cube' Serie	Build-in GPS Receiver for selected Avisaro products. Receiver is installed when ordered together with product.	90,00
Z0690		USB STICK Innodisk 4GB Industrial USB 3.0 SLC	Industrial, (-40° to +85°)	69,00
Z3011		Adapter SubD to WAGO (RS232)	Power supply is done through a barrel connector on the side.	10,00
Z3012		Adapter SubD to WAGO (CAN)	Power supply is done through a barrel connector on the side.	10,00
Z2515		Cable to connect Cube and power supply		10,00
Z3500		Dual RS232 Sniffer T-Box		49,00
Z2540		Sub-D cable,	1x connector/connetor (female/female) and 1x plug/connector (male/female)	10,00
Z21001		RS232 Insulator / galvanic separation	RS232 interface available on a D-Sub and WAGO connector. Power supply of attached Avisaro Logger through D-Sub or WAGO. Incl. 2x WAGO plugs.	99,00
Z2521		External rod antenna	(dipole 20 cm) with SMA connector.	25,00
Z0988		SD Card	SD Card 8GB	19,00
Z2512		Cable for external antenna (pigtail)	10 cm, SMA-plug.	19,00

Avisaro AG - LIST OF PRODUCTS AND PRICES 2020

Valid from end of January 2020 until revoked.

All prices do not include VAT and do not include shipping.

Order no	Picture	Article / interface	Details / Included accessories	Price (€)
Z22012		Adapter Centronics - RS232	Adapter to connect an Avisaro RS232 data logger to a Centronics / parallel printer port. Sold only in conjunction with a Avisaro device.	200,00
Z2542		GSM/GPRS Cable for External Antenna	appr. 10cm cabel with FME male.Full assembled when ordering with Box or Cube at the same time.	49,00
CON0131		WAGO CAGE CLAMP (grey) 3,5mm	Fits to cage clamp on Avisaro WLAN Box or Avisaro Data Logger Box.	4,00
		SECUMEM	If not otherwise stated, memory cards, power supply, cable or adaptor are not included. (See our accessories.)	
S10401		SECUMEM USB-Memory-Stick	Tamper-proof USB-memory single packed	79,00
